News on Via Algarviana

Via Algarviana starts 2023 with many new features! From the 16th of January, you will be able to order a **new guidebook** with maps of the 14 sectors and 9 connections of the **GR 13 - Via Algarviana**. Until then, start exploring the new guidebook in the digital version, which you can download [here](#). 🖱️

Also on the 16th of January, the new **application** for Android and iOS will be launched, with information on all routes and the possibility to download maps and follow them even when offline. Follow the [Facebook](#) and [Instagram](#) of Via Algarviana to stay up to date with all the news.

Public Petition Alagoas Brancas

One of the **most important wetlands in the Algarve** is at risk of destruction and needs your support. Despite its important environmental, historical, heritage and cultural value, this area is at risk of destruction in order to receive a new commercial area.

In an attempt to stop the process, a **public petition** is under way that intends to gather enough signatures to bring the subject to discussion in Parliament, in order to put an immediate end to any possibility of urban construction in the said area. Support this cause. Please read, sign and share this [petition](#). 🖱️

Sports Licences

Did you know that, by being a member of Almargem, you can subscribe to the **sports license** and the various **insurance** provided by the Federation of Camping and Mountaineering of Portugal?

Check here all the advantages of the sports license and don't hesitate to contact us for more information.

Quotas Regularization

If you are an Almargem member, and you haven't do it yet, it may be time to **regularize your anual membership fee**. Membership fees represent an important part of Almargem's funding, which is why we rely on your support and associative spirit. See all the information [here](#).
