## Consignment of IRS to Almargem

This year you can already **consign 0.5% of your IRS** to **Associação Almargem**, free of charge. In this way, you will be helping Almargem to continue fulfilling its mission of defending the natural and cultural heritage of the Algarve, as it has done for the last 35 years.

See all the information on the [Almargem website](http://almargem.org).

## Discovering Baixo Alentejo

At the end of April we set off on the "**Discovery of Baixo Alentejo**". We took advantage of the long weekend to prepare a program full of activities in **Beja, Serpa and Moura**, which will take us to discover the best that the Alentejo has to offer.

Nature walks, guided tours to discover the cultural heritage of the region, night walks with picnic and stargazing, wine and olive oil tastings, boat trips... All this combined with delicious Alentejo cuisine, are more than enough reasons to join us this weekend.

Find out all the details [here](#) and register [here](#), until April 17th.

**We are counting on you!**

## Students from Alcoutim walk along the Via Algarviana

Last Friday, students from Escola Básica Integrada de Alcoutim completed a 6 km route on Via Algarviana. The little explorers were able to observe the local biodiversity and get to know better the great route that starts in Alcoutim. See the photographs [here](#). 🖱️
